TRAVEL and LOCATION FEES

First 30 minutes travel in included in prices quoted for trial and wedding day.

Each extra 30 minutes travelling	per stylist \$25
----------------------------------	------------------

We regret having to charge a travel fee but due to rising prices on petrol, tolls and vehicle maintenance we find this necessary for travel over 30 mins. This is not covering driving time, but merely fees and costs. We try to keep this to a minimum to make it reasonable for the stylists and the client. We hope you understand the need to charge a small fee.

***NO TRAVEL FEE WILL BE CHARGED FOR GROUPS OF 4 OR MORE**

*(Must be 4 hair and 4 makeup) Bookings more than one hours drive will need to be quoted.
